EDUCATION

University of Kansas, School of Architecture & Design — Expected May 2028
Bachelor of Architecture · Lawrence, KS
University Honors Program · University Scholar 2026 Cohort · Dean's List

EXPERIENCE

JHET Architects — 2025–2026
Architectural Intern · Dallas, TX

- Produced construction documents in Revit and Bluebeam for 23 projects totaling 1.8 million sq ft, from schematic design to construction documentation
- Researched AI-driven trends shaping data center design and development
- Documented site conditions and issued field reports

Spencer Museum of Art — 2025–Present
Student Ambassador · Lawrence, KS

- Lead inquiry-based gallery tours designed for elementary school groups

RESEARCH

Chamber Works Mappings — 2025–Present
Independent Study

- Created a python script to detect canny edges and extract hand drawn geometries to create 28 analytical mappings of Libeskind's Chamber Works drawing set

Daniel Libeskind's Pedagogy at Cranbrook — 2025–Present
Research Assistant to Dr. Peter Olshavsky · University of Kansas

- Support textual and archival research on Libeskind's teaching at Cranbrook
- Organize interviews with former Cranbrook students and faculty

LEADERSHIP

KULTURA publication — 2025–Present
Founding Member, Layout Editor · Lawrence, KS

- Helped found KU's first student-run architecture publication
- Organize events drawing 250+ in-person engagements
- Write funding and grant proposals to private and corporate sponsors
- Layout editing in InDesign to the publication's brand guidelines

TAEJO band — 2024–Present
Lead Singer, Bassist, Manager · Lawrence, KS

- Write, record, and perform original music; organized a 100+ person DIY show; design and screen-print merch

SKILLS

Documentatio/Modeling: Revit, AutoCAD, Bluebeam, Rhino, SketchUp
Visualization/Graphics: Enscape, D5, Collage, InDesign, Illustrator, Photoshop, Figma
